DESCRIPTION

We are pleased to bring to the market Thorngrove Barns, a collection of workshop, stores and offices - providing a versatile mix of accommodation to suit a variety of business occupiers.

The premises have become available following the relocation of the long standing occupiers, Revington TR, who had traded from the property for over 20 years and were able to utilise all the various areas.

Thorngrove Barns could be re-let to one occupier, taking on the whole site or alternatively, the layout of the building provides access to areas independently, which can therefore be let separately, as required.

The property is located on Main Road, the principal route connecting Westonzoyland and Middlezoy.

Although set within a rural environment, its position on the Main Road ensures excellent accessibility and benefits from plenty of on site parking.

ACCOMMODATION

The accommodation is as follows:

Unit 1 195.69m² (2,106ft²)

Ground floor workshop, stores and office.

Unit 2 74.14m² (798ft²)

Unit 3 68.97m² (742ft²)

4 No. garage storage units, all with their own independent garage doors.

All racking and shelving units can remain in situ if suitable for a Tenants requirements, or removed prior to occupation.

RATES

The different areas are currently assessed for business rates as follows, although separate assessments may be required, should the various areas be let independently:

Units 2 & 3 - £7,400

Relief from Business Rates may apply, subject to status; where the rateable value is less than £12,000, 100% relief applies and tapered relied from 100% to 0% where between £12,000-£15,000.

Telephone lines are available for connection, subject to BT regulations. Internet connectivity will be available via a dedicated leased line.

(We confirm that we have not tested any of the service installations and any Tenant must satisfy themselves independently as to the state and condition of such items.)
