DESCRIPTION

Unit 2 provides light and airy accommodation, currently well suited for storage purposes as utilised by the previous occupiers, but equally offering excellent potential for conversion into an attractive office space overlooking the courtyard of Thorngrove Barns.

The property is located on Main Road, the principal route connecting Westonzoyland and Middlezoy.

Although set within a rural environment, its position on the Main Road ensures excellent accessibility and benefits from on site parking. The premises have become available following the relocation of the long standing occupiers, Revington TR, who had traded from the property for over 20 years.

ACCOMMODATION

Unit 2 offers an open plan area, with glass windows and doors overlooking the courtyard. The space has previously been used as storage but could suit either as a light industrial workshop, storage facility or office use, or a combination of both dependent on a Tenant's requirements.

Additional storage is available by way of 4 No. Garage Units which can be taken in addition to Unit 2 - please ask for further information.

All racking and shelving units can remain in situ if suitable for a Tenants requirements, or removed prior to occupation.
